

It's back to school again for our students! I hope everyone had a wonderful summer vacation and had the chance to take some time off from work to rejuvenate and spend time with loved ones. Our focus now is on our biggest educational event of the year, the 16th Annual Lone Star Roundup to be held Saturday, September 9, 2023 at DoubleTree Hotel Richardson Texas. Expect it to be a whole day of fun, learning and celebration for winning the 2023 Outstanding SGNA Regional Society Award. Please join our North Texas GI Community from all the Health Systems in Texas. We can't wait to see you all!

Register below.
