

March News & Updates

www.ntsgna.org

We celebrate you!

To the best Gastroenterology community in the nation, thank you for your enthusiasm, commitment and hard work! We can't wait to see everyone on March 25, 2023 to celebrate you! Please visit our website to register.

We also want to thank you for helping fight colorectal cancer. It's still the second cause of cancer death in our nation. The recommended age for screening now is 45. Get a screening colonoscopy or encourage your family and friends to get one.
