We have so much to be grateful for!

We are excited to share that NTSGNA was awarded the 2023 Outstanding Regional Society at the 50th SGNA Annual Course in Phoenix Arizona! Thank you to all of you! Your engagement and enthusiasm are the reasons why we're the best! Thank you as well to all the Regional officers for your hard work and for giving your time and talent to our GI community!

Happy Nurses Week to all our nurses! I would like to share a quote from Janice Walker CNO Baylor Scott and White System. " There are a lot of things we can not control. One thing we can control is our interactions." We make a difference in every interaction we have with our patients.

Happy Mother's Day to all the mothers! Thank you for your unconditional love and for all you do!

Congratulations to all the 2023 Graduates! Job well done and best of luck on your new beginnings!

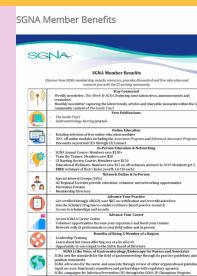

Summer can be hectic but please make time for all our up coming educational events. We are looking forward to seeing you all again!
