

NTSGNA Newsletter April 2026

Something great is sprouting

NTSGNA Mission

- To unite in one Regional Society persons engaged in any capacity in the fields of gastroenterology and/or endoscopy nursing.
 - To encourage and develop educational programs.
 - To advance the technology, science, and arts of practitioners.
 - To advocate optimal care for patients with digestive disease and those undergoing diagnostic and therapeutic procedures.
 - To cooperate with other professional societies, corporations, and governmental bodies.
-

Highlights

We extend our heartfelt gratitude to everyone who attended the Appreciation Luncheon; your presence made the event truly special. A special thank you goes to ERBE for their invaluable educational contributions and for sponsoring this wonderful gathering.

We are thrilled to announce the upcoming launch of the groundbreaking Endoscopy Technician Program Level I Certificate at Dallas College, set for January 2027. Our sincere appreciation goes to the dedicated leaders of the Dallas College School of Health Sciences for their unwavering support and assistance in this endeavor. We invite the entire DFW GI community to join us in supporting this initiative, helping it launch, and building a brighter future in healthcare education.

Faculty Needed

Are you ready to take the plunge into a rewarding career that shapes the future of healthcare? Dallas College is on the hunt for a passionate faculty member to join their Endoscopy Technician Program! Click the link to apply. Your next great adventure awaits! [Click to Apply](#).
