We also want to express our gratitude to all our wonderful guest speakers: Dr. Muhanned Abu-Hijleh, Dr. James Burdick, Dr. Prashant Kedia, Dr. Hector Nazario, Dr. Thomas Tielleman and Dr. Thomas Van Dinter. Their presentation provided us with a wealth of knowledge we can all use at work.

Meet Rosie West NTSGNA President Elect

Our upcoming President for 2024 is Rosie West. She has been a GI Technician for 26 years. Currently she works at the VA Dallas Medical Center. Rosie is a GI Technician Specialist and certified Advanced Associate. She has been a long time officer and the Past President of NTSGNA in 2011.

She has worked with the best GI doctors in DFW and loves advanced and complex GI procedures. She attends SGNA conferences locally and nationally to learn new knowledge and skills.

Rosie thinks, " The best part of being in the GI team is being able to correct things when we do procedures and help get patients better using the best and most advanced technology available for the patients we serve."

Her dedication to our GI community goes above and beyond! We are all looking forward to her leadership in 2024!
