

NTSGNA conference is a one-day course designed for gastroenterology nurses, RN, endoscopy tech and associates. Updates and recent trends in the field of gastroenterology are important for patient safety. A deeper understanding of the gastrointestinal anatomy and physiology specifically the liver will be one of the highlights of the conference.

Accreditation:

"This activity has been submitted to Montana Nurses Association for approval to award contact hours. Montana Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation"
